Tech and Performance Guidance Sheet  
Belbas Theater @ the Washington Pavilion  
**301 S Main Ave, Sioux Falls, SD 57104**

Hello Cast!

Here is a detailed sheet to use when navigating our transfer to the Washington Pavilion for our tech and performance process. I have included information about parking, location, the theater space, and more to help you as much as possible.

Please read through all of this, it is all important and will ensure a successful move-in and use of the space. After reading through, let me know if you have any additional questions!

## PARKING

- **Street Parking:** Metered-parking is available on the west, north and east sides of the Washington Pavilion. All street parking is free after 5 p.m. on weekdays. It is free on weekends all day.

*\*Please note there may be some meters that charge until 6pm – watch out for this!\**

- **Garage Parking:** Garage parking is free after 5 p.m. and all the time on weekends. There is a garage right across from Josiah's Coffeehouse and kitty cornered to the Pavilion; it is across the street from the Wells Fargo CineDome at 121 W 12<sup>th</sup> Street.

*\*I have included an extra parking map to this email that shows where the garage is.\**

## ENTERING THE PAVILION

- We must enter through one door to get into the lobby of the Belbas. It will be the only door open for you to enter through. You CANNOT enter through the main Pavilion doors or other box office or main lobby doors because there will be important government meetings and other events occurring that we cannot disrupt. Pay close attention, and when in doubt, call a stage manager to come guide you to the right entrance. Below is a map of the entrance we must use the entirety of our run. **The door is located on Dakota Ave and that is on the west side of the building.**

**\*SEE BELOW FOR MAP\***

- I have highlighted the entrance you can use and "x"-ed out the ones you cannot use.
